BABY PHOTOGRAPHY

*The first moments
forever ...*

My name is

Verena Mentzner

With over 25 years of experience, I gently capture your baby's first precious moments for you.

I visit you in your hospital room for a gentle, relaxed baby photo session—simple and hassle-free.

Duration: about 15 minutes.

Best conditions for your baby: well fed and asleep.

You are welcome to dress your baby in their own clothes beforehand or use my professional photo accessories free of charge.

The result: beautiful professional photos right after birth, without the stress of a studio visit—at an affordable price.

I visit your room on **Mondays and Thursdays** from around **10:00–11:30 am**, with no appointment needed.
